Holiday activity ideas

Have a
lovely
holiday!

What a busy half term we've had!

Children have loved autumn activities so here's some to do at home.

Activity—Autumn walk

Go for a walk with your child. Look up and down. What signs of autumn can you see? Are there leaves on the floor? Can you find any conkers? Are there any autumn animals around?

Activity—Autumn foods

Next time you go to the supermarket show your child the seasonal foods on offer such as Pumpkins and Squash! Why not buy some to try? Discuss with your child the colours and textures of the objects you see!
Delicious!

Wow!
Nearly all our children are in full
time now!
Thank you for your support
During your child's important
transition into nursery.
